

Woah

Lots of big things.

Raquel and I are engaged. I'm working on a wedding site to make communication of questions, details, stuff like that easier.

That's all for now. Enjoy the video below!

We're engaged!

Hooray!

What changes!

Quick update: Raquel and I set a date for our wedding!

Oh, yeah, we got engaged, too. ☐

I'm working on getting a wedding page to my main site going. Step one is to get it created and uploaded, step two will be filling it with the requisite information.

That's all for now, folks.

In the meantime, enjoy this video!
